Subject: Re: MLPA: Dec. 6-7, 2005 CCRSG meeting agenda and materials

Why do you have all your meetings far away from Los Angeles/Orange County/SanDiego???

AFRAID...Someone might attend?

You are right. Lots of angry anglers would attend. We Hate and despise your closures.

We are opposed to your meetings and your waste of valuable funds that could be used to fight pollution or create new biospheres in the ocean by building more artificial reefs.

Public meetings? Hah... You ain't kidding anyone.
